From the World Famous Barefoot Bar:

We have been buying palm trees from Botanics Wholesale in Homestead, Florida for 18 years. We couldn't be more pleased with the great service, the quality of the product, the on time delivery, and especially the great value!

Mike and the whole crew are a pleasure to do business with and we highly recommend Botanics Wholesale.

Leo "Butch" Parks

A handwritten signature in blue ink that reads "Butch Parks". The signature is written in a cursive, flowing style.
